STEP UP HUNGARIAN MILITARY ACTIVITY

EXPAND STAFF OFFICER TRAINING -- Munich, Hungaria, 6 Apr 51

This spring, large numbers of quickly trained officers will join the rapidly expanding army. Many newly trained Hungarian staff officers are receiving advanced training in war colleges in the USSR, Poland, and Czechoslovakia. A large detachment of Hungarian officers arrived in East Germany in March, and the group is attending a Soviet war college near Dresden. As a result of the constant mobilization activities extending over the past half year, even the youths of draft age, who were reared in the Communist spirit, are now in an anxious state of mind.

5,000 WOMEN IN UNIFORM -- Muni n, Hungaria, 6 Apr 51

By the end of March, the number of women volunteers in uniform had reached 5,000. Some of them are undergoing training in new barracks erected on the slopes of Kamara Forest, near Budaors Airfield. Others are stationed in provincial cities, including Pecs. The majority of the women soldiers are factory girls who prefer life in uniform to the pace of industrial competition.
